

3rd September 2019

Dear Parent/Carer,

Year 11 Students

The school has decided to continue with an already successful strategy in order to secure the best possible outcome for your child in GCSE Maths.

All Year 11 students will be taught an additional Maths lesson every week from 2.55pm to 3.55pm. Students in 11Y band will attend on Tuesday and students in 11X will attend on Wednesday. This will now mean they will have one Maths lesson every day. Attendance to these additional lessons is compulsory.

This lesson will be taught by a Maths specialist and will begin on Tuesday 10th September. We do trust that you will support us with this.

If you have any questions or concerns regarding the above please do not hesitate to contact me or your child's Achievement Team Leader, Ms Powell.

Yours sincerely,

Mr M Andrews
Assistant Headteacher

Executive Headteacher: **Mr Richard Micek**, Deputy Headteacher: **Mrs Lauren Hedges**
